Community Living St. Catharines wishes to express their sincere gratitude to the Ontario Trillium Foundation for their donation of \$69,000.00 in support of our mission.

These dollars are allocated for the purchase of two vans to expand accessible transportation for the individuals we support in our Day Programs.

The Ontario Trillium Foundation's support for our efforts to enhance the lives of the people we support is very much appreciated by our Board of Directors, the people we support, staff and volunteers.

We are also delighted to have received a grant from the Harry E. Foster Foundation in support of the cost to replace a van which will assist with our many transportation needs for our Day Programs.

We extend our sincere thank you to the Harry E. Foster Foundation for their gift of \$10,000.00. Their generosity and their support for our mission is truly appreciated.

*It is because of supporters like yourselves
that we can look to the future with confidence
for both the people we support
and our agency's mission of inclusion.*
